IMPORTANT NOTES:

1. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013, which sets out details relating to Special Business at the meeting, is annexed hereto. Further, additional information as required under Listing Regulations and Circulars issued thereunder are also annexed.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY/PROXIES TO ATTEND AND VOTE INSTEAD OF HIMSELF/HERSELF. SUCH A PROXY/ PROXIES NEED NOT BE A MEMBER OF THE COMPANY.** A person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company.

Corporate members intending to send their authorized representatives to attend the meeting are requested to send a certified copy of the Board resolution to the Company, authorizing their representative to attend and vote on their behalf at the meeting.

The instrument of Proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the meeting. A Proxy form is sent herewith. Proxies submitted on behalf of the companies, societies etc., must be supported by an appropriate resolution/authority, as applicable.

During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.

3. **Members / proxies** should bring the duly filled Attendance slip enclosed herewith to attend the meeting. Shareholders are requested to tender their attendance slips at the registration counters at the venue of the AGM and seek registration before entering the meeting hall. The shareholder needs to furnish the printed 'attendance slip' along with a valid identity proof such as the PAN card, passport, AADHAR card or driving license, to enter the AGM hall.
4. The Register of Members and the Share Transfer books of the Company will remain closed from Sunday, 24th September, 2023 to Saturday, 30th September, 2023 (both days inclusive), for the purpose of Annual General Meeting.
5. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013, will be available for inspection by the Members at the AGM.
6. The Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Companies Act, 2013, will be available for inspection by the Members at the AGM.
7. Members holding shares in electronic form are hereby informed that bank particulars against their respective depository account will be used by the company for payment of dividend (declared if any). The company or its Registrars cannot act on any request received directly from the members holding share in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the Members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already registered against their respective folios for payment of dividend are requested to write to the company.
8. In accordance with the proviso to Regulation 40(1) of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, effective from April 1, 2019, and SEBI notification dated January 24, 2022, transfers of securities

of the Company including transmission and transposition requests shall not be processed unless the securities are held in the dematerialized form with a depository. Accordingly, Shareholders holding equity shares in physical form are urged to have their shares dematerialized so as to be able to freely transfer them, eliminate all risks associated with physical holding and participate in corporate actions.

9. To prevent fraudulent transactions, members are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
10. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company.
11. Copies of the 40th Annual Report is being sent to all the Members via the permitted mode.
12. Members may also note that the 40th Annual Report will also be available on the Company's website www.vsdconfn.in for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office at Lucknow for inspection during normal business hours on working days. Even after registering for e-communication, members are entitled to receive such communication in physical form, upon making a request for the same, by post free of cost. For any communication, the Shareholders may also send requests to the Company's investor email id: vsdconfn@gmail.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited at www.bseindia.com and the Notice shall also available on the website of CDSL (agency for providing the Remote e-Voting facility) i.e. www.evotingindia.com.

Shareholders of the Company are urged to opt for e-communication to help the Company contribute to go-green initiative of this nation and the world for a better tomorrow.

13. All documents referred to in the accompanying Notice and the Explanatory Statement shall be open for inspection at the Registered Office of the Company during normal business hours (10.00 AM to 6.00 PM) on all working days, up to and including the date of the general meeting of the Company.
14. No dividend has been proposed by the Board of Directors for the year ended 31st March, 2023.
15. Members seeking any information with regard to accounts are requested to write to the undersigned at the Registered Office of the Company, at least 7 days in advance, so as to keep the information ready at the Meeting.
16. **The Additional Information, pursuant to Regulation 36(3) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 and the Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India in respect to the Director seeking re-appointment (Retirement by rotation) at the Annual General Meeting is as follows;**

17. The Additional Information, pursuant to Regulation 36(5) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015, in respect of appointment /re-appointment of statutory auditors are as given below:

Sr.No.	Particulars	Information
1	Name of the Retiring Statutory Auditor	M/s. Kamal Gupta Associates, Chartered Accountants (Firm Registration No. 000752C)
1	Name of the Proposed Statutory Auditor	M/s. Bakliwal & Co, Chartered Accountants (Firm Registration No. 130381W)
1	Proposed fees payable to the statutory auditor(s)	Rs. 1,00,000/- per annum
2	Terms of appointment	Appointment shall be for a period of 5 years (From the conclusion of the 40 th AGM -to the conclusion of the 45 th AGM)
3	Any material changes in the fee payable to the auditor from that paid to the outgoing auditor along with the rationale for such change	The Retiring Auditor could not be re-appointed since they had completed their two terms of Appointment. Hence the Company had to look for new Auditors. Based on the current industry standards and the experience and expertise of the proposed auditors, the Company has decided to remunerate the proposed auditors accordingly.
4	Basis of recommendation for appointment including the details in relation to and credentials of the statutory auditor(s) proposed to be appointed	M/s. Bakliwal & Co. is a partnership firm, established in 2009 engaged in the field of Financial Advisory, Management Consultancy and Assurance Services. The firm consists of eight qualified Chartered Accountants and other experienced staff spread across Mumbai, Thane, Indore, Jaipur and Bhilwara. The firm is also empanelled with Comptroller and Auditor General of India (CAG) and Reserve Bank of India (UCN No. 952751). Considering the expertise and experience of more than a decade, the Audit Committee and the Board of Directors of the Company are of the opinion that the proposed auditors are suitable to be appointed as the Statutory Auditors of the Company for the period of 5 years.

18. Voting through electronic means:

In compliance with provision of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, and Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 the Company is pleased to provide e-voting facility to its Shareholders to enable them to cast their vote electronically in the 40th Annual General Meeting (AGM). The business may be transacted through remote e-voting Services provided by Central Depository Services (India) Limited (CDSL). Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

THE INSTRUCTIONS FOR MEMBERS FOR VOTING ELECTRONICALLY ARE AS UNDER:-

(A) The remote e-voting period begins on Wednesday, 27th September, 2023 at 09:00 A.M. IST and ends on Friday, 29th September, 2023 at 05:00 P.M. IST. The remote e-voting module shall be disabled by CDSL for voting thereafter. The Members, whose names appear in the Register of Members / Beneficial Owners as on the record date (cut-off date) i.e. Saturday, 23rd September, 2023, may cast their vote electronically. The voting right of

Shareholders shall be in proportion to their share in the paid-up equity share capital of the Company as on the cut-off date, being Saturday, 23rd September, 2023.

- (B) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its Shareholders, in respect of all Shareholders' resolutions. However, it has been observed that the participation by the public non-institutional Shareholders/retail Shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(C) LOGIN METHOD FOR E-VOTING FOR INDIVIDUAL SHAREHOLDERS HOLDING SECURITIES IN DEMAT MODE:

In terms of SEBI circular no. MANAGEMENT DISCUSSION AND ANALYSIS REPORT**1. GLOBAL ECONOMIC SCENARIO:**

The financial year 2023 saw impact of the Covid especially in countries like China, heightened geopolitical tensions led by Russia-Ukraine war, the resultant high inflation and the global fight on inflation spearheaded by all Central Banks. However, in the new financial year, while we have come out of the Covid challenge, most of the other issues continue to linger on, albeit with lower intensity.

Despite the challenges faced by the global economies, Global GDP growth thus far has surprisingly remained in the positive territory though slowing down considerably as compared to the previous year. Unprecedented monetary tightening done by the central banks has had somewhat less than expected impact on the overall economic activity. This has strengthened the view that the developed economies led by US are likely to have a 'soft landing' or a 'no landing' rather than a recession or 'hard landing'. IMF's latest forecast: Growth will slow from 3.4 in CY22 to 2.8 percent in 2023 before accelerating to 3.0 per cent in 2024.

In line with earlier commodity cycles, most commodity prices which had shot up in the early part of the previous financial year have eased off noticeably. Prices for most of the commodities such as metals etc. are expected to be below the average levels seen in 2022.

After rising sharply over 2021 and much of 2022, inflation in most of the world has started slowing down, mostly driven by falling energy and food prices and fading supply chain pressures. This is paving the way for a reduction in the pace and intensity of interest rate hikes by the world's major central banks, suggested at their recent meetings. However, while the inflation has been moderating in the face of steep policy rate hikes initiated by the Central Banks, the pace of moderation remains unsatisfactory for policy makers and it remains above the comfort level of most inflation targeting economies. This has made policy makers fear that inflation is becoming sticky prompting them to keep the interest rates higher for longer resulting in a downward bias to global growth forecasts. Also, with no end in sight for the Russia Ukraine war, any further worsening in the geopolitical tensions could once again disrupt global trade and supply chain leading to another round of high inflation especially in the energy prices.

As per IMF estimates, annual average inflation for various economies is expected to decline in 2023 vs. 2022. However, it is expected to remain above the pre-pandemic levels as well as the targets of the central banks. For advanced economies, it is projected to decline from 7.3% in 2022 to 4.7% in 2023. In emerging market and developing economies, projected annual inflation declines from 9.8% in 2022 to 8.6% in 2023 and 6.5% in 2024. With softening of inflation, it is expected that the monetary tightening initiated by the Central Banks will at the very least hit a pause during the year.

2. INDIAN ECONOMY:

India's growth continues to be resilient despite some signs of moderation in growth, although significant challenges remain in the global environment, India was one of the fastest growing economies in the world.

The overall growth remains robust and is estimated to be 6.9% for the full year with real GDP growing 7.7% year on year during the first three quarters of FY 2022-23. There were some signs of moderation in the second half of FY 2022-23. Growth was underpinned by strong investment activity bolstered by the government's capex push and buoyant private consumption, particularly among higher income earners. India emerged as the second fastest-growing G20 economy in FY 2022-23. India moved up in the Ease of Doing Business (EoDB) rankings from 100th in 2017 to 63rd in 2022. Per capita income almost doubled in nine years to Rs. 1,72,000 during the year under review, a rise of 15.8% over the previous year. India's GDP per capita was USD 2,320 (March 2023), close to the magic figure of USD 2500 when consumption spikes across countries. Inflation remained high, averaging around 6.7% in FY 2022-23 but the current account deficit narrowed in Q3 on the back of strong growth in service exports and easing global commodity prices.

The World Bank has revised its FY 2023-24 GDP forecast to 6.3% from 6.6% (December 2022). Growth is expected to be constrained by slower consumption growth and challenging external conditions. Rising borrowing costs and slower income growth will weigh on private consumption growth and government consumption is projected to grow at a slower pace due to the withdrawal of pandemic related fiscal support measures.

Although headline inflation is elevated, it is projected to decline to an average of 5.2% in FY 2023-24, amid easing global commodity prices and some moderation in domestic demand. The Reserve Bank of India has withdrawn accommodative measures to rein in inflation by hiking the policy interest rate. India's financial sector also remains strong, buoyed by improvements in asset quality and robust private sector credit growth.

The Central Government is likely to meet its fiscal deficit target of 5.9% of GDP in FY 2023-24 and combined with consolidation in state government deficits, the general government deficit is also projected to decline. As a result, the debt to GDP ratio is projected to stabilize. On the external front, the current account deficit is projected to narrow to 2.1% of GDP from an estimated 3.0% in FY 2022-23 on the back of robust service exports and a narrowing merchandise trade deficit.

Spillovers from recent developments in financial markets in the US and Europe pose a risk to short-term investment flows to emerging markets, including India.

3. INDUSTRY REVIEW:

Real estate sector in general and housing sector in particular has always played a critical role in shaping the global economies. The multiplier effect of housing sector through direct and indirect as well as through induced impact is significantly large on both the GDP as well as employment generation. There are a number of ancillary industries which support the growth of real estate construction sector, like cement, steel, other non-ferrous metals, tiles, glass, brick, and certain consumer durables etc. Further, the industries that provide the inputs to these ancillary industries also gain momentum. Hence, due to the inter-linkages among all the sectors of the economy, the overall economic impact of a real estate far exceeds the direct impact especially in employment generation.

India by virtue of its demography and development cycle is at a place where demand for quality urban housing is immense. This is only going to strengthen with each passing year as India graduates from being a low income economy to a middle income economy. As per industry estimates, India would see creation of 100 million new households who will become 'home ownership capable' by virtue of rise in income levels by the end of the decade. This creates a 'once in a lifetime' opportunity for the Indian real estate industry.

Due to the structural nature of demand, Indian real estate industry has continued to gain momentum during FY23 despite the uncertainties posed by global economic slowdown as well as steep interest rate hikes. While the market for office spaces staged a comeback in the post-pandemic period with 'back to office' normalization, the residential market further gained on the momentum seen in FY22. Despite the 250bps repo rate hike, the robust performance of the sector especially in the housing segment signifies the strength of the underlying demand for property.

4. OPPORTUNITIES AND CHALLENGES:

Opportunities

India has strong structural drivers in place for housing demand and it is at an early stage of a multi-year upcycle. Impact of cyclical factors such as interest rates etc. will be felt from time to time, however the structural nature of demand will overpower them to a large degree similar to the way industry has performed this year in spite of the steep mortgage rate hikes.

Housing in India is expected to be both the participant as well as the driver of GDP growth over the course of the decade. Real estate contribution to GDP in India currently stands at approximately at 7% as compared to developed and mid-income economies where the contribution is in mid-teens. As India sees its per capita incomes grow from US\$ 2000 to approximately US\$ 5000 by end of the decade, it will move from being a low income to a mid-income economy. By then, real estate sector is also likely to find its rightful share in the economy. During the course of the decade, India is likely to witness more than doubling of the households, currently categorized as midincome or high-income households, from 75 million to 175 million households. These 100 million new households will have incomes of above H 0.5 mn and thus will be capable of owning a home. This creates a huge opportunity for the housing sector with demand coming through over the course of next decade as well. This addition in new 'home ownership capable' households will happen on account of several factors which are well understood now.

Key among them are -

- Rising household incomes.
- Rapid urbanization boosting urban population.
- Nuclearization of families.
- Improving education levels leading to rising number of STEM graduates.

Supply & demand consolidation:

This is one of the megatrends of the industry which started in 2016-17 period and has started gaining momentum over the past 3 years or so. This consolidation is unique as it is happening from both demand side as well as supply side. Due to the past experiences, consumers today have become very brand conscious and prefer to buy only from branded tier-1 developers, thus leading to demand side consolidation towards branded players. Similarly, lenders prefer to lend only to handful of branded developers. In absence of formal credit as well as customer advances, significant supply side consolidation is underway. As per Anarock Research, more than 50% of incremental supply is now coming from branded developers.

Threats and challenges:

While we remain well placed to capture the opportunities, few challenges may have an impact on the industry in the near term. We always keep a watchful eye for any of challenges which, if they fructify, can impact the upward trajectory of the industry. Our strong management team in consultation with the board takes mitigating actions in light of such challenges. Some of these challenges in the near term could be:

- Further increase in interest rates by the Central Banks including RBI to tackle the sticky high inflation.
- Escalation of geo-political tensions leading to another round of supply chain disruption.
- Significant slowdown in India.
- Souring of job sentiment.
- Significant increase in home prices effected by developers which in turn starts to impact affordability.

Company Strengths:

Your Company continues to capitalize on the market opportunities by leveraging its key strengths.

- Possesses a successful track record of quality execution of projects with contemporary architecture.
- Follows a strong culture of corporate governance and ensures transparency and high levels of business ethics.
- Strength of Innovation in product as well as sales and marketing strategies.
- Possess exceptional management capabilities with the advantage of decentralized organization structure.

5. SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE:

The Company did not re-commence its Business Operations even during the FY 2022-2023. However as on the date of this report, the Company has re-commenced its operations in the segment of trading of goods relating to real estate segment.

6. RISKS AND CONCERNS:

The following are risk that that Company anticipates:

- Crunch in Fund Flow.
- Increase in prices of the inputs.
- Fall in the demand of the products.
- Increase in working capital requirements.

7. OUTLOOK:

The Financial Year 2020-21 and 2021-22 saw unprecedented disruption on account of the pandemic. In 2023, we anticipate further downward trends in the global economy. This however, should be an opportunity for the Indian economy to become a world leader. The real estate sector is likely to continue on its journey of long term growth as we see a continuous rise in GDP per capita, larger disposable incomes, growing urbanization and most of all a larger focus of the world on us as the next big economy.

An increase in earning potential, a need for a better standard of living and the growing base of aspirational consumers and their lifestyle changes have led to substantial growth in the sector. With suited economic growth, the premium housing segment will also witness higher demand in the years to come.

The Securities and Exchange Board of India (SEBI) has given its approval for the Real Estate Investment Trust (REIT) platform, which will allow all kind of investors to invest in the Indian real estate market. It would create an opportunity worth Rs. 1.25 trillion (US\$ 19.65 billion) in the Indian market in the coming years. Real estate developers, in meeting the growing need for managing multiple projects across cities, are also investing in centralised processes to source material and organise manpower and hiring qualified professionals in areas like project management, architecture and engineering.

8. INTERNAL CONTROL SYSTEMS:

The Company has a robust internal financial control system commensurate with the size, scale and complexity of its operations. It has put in place adequate controls, procedures and policies for ensuring orderly and efficient conduct of its business including adherence to policies, safeguarding its assets, reasonable framework aimed at prevention and detection of frauds and errors, accuracy and completeness of accounting records. Appropriate frameworks have been designed to have internal controls over financial reporting, which ensures the integrity of financial statements of the Company and reduces possibility of malpractice.

9. HUMAN RESOURCES:

The Company firmly believes that human resources is an important instrument to provide proper communication of the Company's growth story to its stake holders and plays vital role in the overall prospects of the Company. The Company takes possible steps for the welfare of its manpower. Your Company aims to attract, develop, motivate and retain diverse talent, which is critical for its competitive differentiation and continued success. The employee relationship was cordial throughout the year. Your Company as on 31st March, 2023, had 1 permanent employees on its rolls.

10. DISCUSSION ON FINANCIAL PERFORMANCE:

During the year under review, the Company has incurred a Net Loss of Rs. 3.94 Lakhs as compared to Net Loss of Rs. 38.17 Lakhs in the previous year. Your Directors are continuously looking for avenues for future growth of the Company.

INDEPENDENT AUDITORS' REPORT

**TO THE MEMBERS OF
M/s. VSD CONFINLIMITED**

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of **VSD CONFIN LIMITED** ("the company"), which comprises the Balance Sheet as at 31st March 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

EMPHASIS OF MATTERS

The balances of Loans and advances, Sundry Debtors, Sundry Creditors, Current Liabilities & Provisions and other personal accounts are subject to confirmation and reconciliation, if any. Our opinion is not qualified in respect of this matter.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects/possible effects of the matter described in the basis of Qualified Opinion in above paragraphs, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

Annexure-'B' to the Auditor's Report

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements'
section of our report to the Members of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **VSD CONFIN LIMITED** ("the Company") as of 31 March, 2023 in the conjunction with our audit of financial statements of the company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standard on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control system over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of the financial statements in accordance with generally accepted accounting principles, and that the receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also projections of any evaluation of the internal financial controls over financial reporting to future period are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements as at and for the year ended March 31, 2023**Significant Accounting Policies****Corporate Information**

VSD Confin Limited ("the company") was incorporated on February 27, 1984 under the Companies Act, 2013 having its registered office at Lucknow. The company is in the business of real estate.

1. Significant Accounting Policies:

This note provides a list of the significant accounting policies adopted in the preparation of the financial statements. These policies have been consistently applied to all the years presented unless otherwise stated.

Basis of Preparation of Financial Statements**(a) Statement of Compliance:**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act and the Companies (Indian Accounting Standards) Rules, 2015.

(b) Basis of Measurement:

The financial statements have been prepared on the historical cost basis except for certain financial instruments that are measured at fair values at the end of each reporting period, as explained in the accounting policies below.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would consider those characteristics when pricing the asset or liability at the measurement date. Fair value for measurement and/or disclosure purposes in these financial statements is determined on such a basis and measurements that have some similarities to fair value but are not fair value, such as net realizable value in Ind AS 2.

(c) Segment Reporting:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Managing Director of the Company has been identified as being the chief operating decision maker. Based on the internal reporting to the Chief operating decision maker, the Company has identified that the Company has only one segment (Real Estate) and accordingly there are no other reportable segments.

(d) Operating Cycle:

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 24 months for the purpose of classification of its assets and liabilities as current and non-current.

(e) Functional and Presentation currency:

The Financial statements are presented in Indian Rupees, which is the functional currency of company and the currency of the primary economic environment in which the company operates.

(f) Revenue Recognition:**Revenue from Services:****Timing of recognition:**

Revenue from Services is recognised in the accounting period in which the services are rendered. For fixed price contracts, revenue is recognised based on the actual service provided to the end of the reporting period as a proportion of the total services to be provided (percentage of completion method).

Measurement of revenue:

Estimates of revenues, cost or extent of progress towards completion are revised if circumstances change. Any resulting increases or decreases in estimated revenues or costs are reflected in profit or loss in the period in which the circumstances that give rise to the revision become known to the management.

Dividend and Interest Income:

- a) Dividend income from investments is recognised when the shareholder's right to receive payment has been established (provided that it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably).
- b) Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

(g) Taxation:

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961 and other applicable tax laws.

Deferred tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred taxes are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset is realized, based on the tax rates and the tax laws enacted or substantively enacted as at the reporting date.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

(h) Impairment of assets:

Intangible assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment, or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets other than goodwill that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

(i) Cash and cash equivalents:

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts (if any).

(j) Investments and other financial assets:**(i) Classification:**

The Company classifies its financial assets in the following measurement categories:

- (a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss),
- (b) those measured at amortised cost and
- (c) those measured at cost

The classification depends on the entity's business model for managing the financial assets, the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income. The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Measurement:

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Debt instruments:

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are two measurement categories into which the Company classifies its debt instruments:

- (a) **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in other income using the effective interest rate method.
- (b) **Fair value through profit or loss:** Assets that do not meet the criteria for amortised cost or Fair value through other comprehensive income are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in profit or loss and presented net in the statement of profit and loss within other income/ other expenses in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments:

The Company subsequently measures all equity investments other than investments forming part of interest in associates and joint ventures at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in other income/ other expense in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets:

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at cost and amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Derecognition of financial assets:

A financial asset is derecognised only when

- (a) The Company has transferred the rights to receive cash flows from the financial asset or
- (b) Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Offsetting financial instruments:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(k) Property Plant and Equipment:

All items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Transition to Ind AS:

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at April 1, 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

(l) Depreciation and Amortisation methods, estimated useful lives and residual value:

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives which are generally in accordance with those specified in Schedule II to the Companies Act, 2013. The useful lives used for depreciation are as follows:

Assets	Useful Life
Vehicle	6 Years

(m) Provisions:

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

(n) Employee Benefits:

Short term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(o) Contributed Equity:

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(p) Earnings per share:

Basic earnings per share

Basic earnings per share is calculated by dividing:

- (a) the profit attributable to owners of the Company
- (b) by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(q) Rounding of amounts:

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lacs and decimals thereof as per the requirements of Schedule III, unless otherwise stated.

(r) Others:

Balance Confirmations in respect of Sundry Creditors, Sundry Debtors and Loans and Advances are awaited. The balances are therefore as per the books of accounts only.

In the Opinion of Board of Directors, the current assets, loans and advances are approximately of the value stated above, if realised in the ordinary course of business. The provision for liabilities shown in the Balance Sheet have adequately been made and are not in excess of the amounts reasonably necessary.

2. Critical estimates and judgements:

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies. This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are Estimation of current tax expense and payable and Estimation of fair value of investment. Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.
